2025 Maintenance Charges

The Asheville Housing Authority has established the following maintenance hourly rates as well as flat rate charges for maintenance repairs. As stated in the lease, these rates or charges will be billed to resident accounts when the property damage requiring maintenance exceeds normal wear and tear.

HACA conducted a survey of local rates by professional trade and has established its hourly rates below the lowest rate in the survey. The hourly rates include the cost of labor, vehicles and other equipment used to perform various tasks. For items not listed in the flat rate schedule, labor will be charged at a minimum of thirty (30) minutes plus any additional increments of fifteen (15) minutes, along with the actual material costs of items required.

Trade	Minimum Charge (30 minutes)	Each Additional 15 minutes
Maintenance Mechanic	\$10.00	\$5.00
Janitor	\$10.00	\$5.00
Plumber	\$37.50	\$18.75
Electrician	\$37.50	\$18.75
